

Integration Developer

Hammersmith, UK

Permanent

Competitive Salary

Who we are

At iPLATO we are more than a tech company. We are revolutionising the health care industry. We are committed to delivering powerful digital solutions that improve lives and to have fun while doing it. Serving millions of patients and thousands of healthcare professionals every day we are a leader in Health Tech. Across this network our digital solutions enable data driven patient engagement, personalised online consultation powered by machine learning and patient support to people living with diabetes, hypertension and epilepsy. Our aim is to connect patients and transform healthcare.

About the role:

As an Integration Developer, you will be working as part of an agile development team developing our next generation patient messaging platform, integrating with partners via Restful API and developing our new API.

Your main responsibilities will be to:

- Ensure the highest quality in the code written using tests (unit tests, integration tests, end to end tests and mocked classes) and design patterns
- Use Hibernate to access complex data structures from the database
- Work with different types of security (Single Sign On, OAuth 2, etc)

What we are looking for:

Essential:

- 3 years + of Java backend development experience
- Agile/Scrum experience
- Microservices
- Spring Boot / Spring, Hibernate
- API
- Git
- Experience working with MySQL Databases
- Excellent communication skills

Desirable skills:

- Experience using containerisation tools such as Docker
- AWS/Azure
- Software architecture experience

Above all, we want someone that shares our core principles. These are:

- We are Patient Centred
- We can be Trusted
- We can Deliver Quality
- We are Passionate
- We aim High

What we offer

- A competitive salary
- An annual individual training budget of up to £1000 linked to your objectives for your role
- 25 days holiday plus bank holidays
- Company Share Option scheme and travel loan after probation is passed
- An amazing team and fun social calendar
- An opportunity for career development
