

React Developer
Hammersmith, UK
Permanent

Who we are

At iPLATO we are more than a tech company. We are revolutionising the health care industry. We are committed to delivering powerful digital solutions that improve lives and to have fun while doing it. Serving millions of patients and thousands of healthcare professionals every day we are a leader in Health Tech. Across this network our digital solutions enable data driven patient engagement, personalised online consultation powered by machine learning and patient support to people living with diabetes, hypertension and epilepsy. Our aim is to connect patients and transform healthcare.

About the role:

As a React Developer, you will be responsible for developing the front-end components of our next generation patient messaging platform.

Your main responsibilities will be to:

- Implement the UI coming from the designers
- Implement web applications for desktops, tablets and smartphones
- Use the best practices to guarantee the best quality and availability of the web applications
- Maintain the company UI components shared between different projects
- Maintain and implementing new features to the current React applications
- Maintain the global state of the application using unit testing and Redux

What we are looking for:

Essential:

- 4 years+ as a Frontend developer
- 2 years+ as a React developer
- Good experience of writing JavaScript tests
- Good experience of using Storybook
- Excellent communication skills
- CSS, SCSS, LESS
- JavaScript/ES6 and Jest (or other testing frameworks)
- Flow and ESLint
- Redux, Thunk, Axios
- Agile/Scrum experience
- Git

Desirable skills:

- Experience in multilanguage applications

Above all, we want someone that shares our core principles. These are:

- We are Patient Centred
- We can be Trusted
- We can Deliver Quality
- We are Passionate
- We aim High

What we offer

- A competitive salary
- An annual individual training budget of up to £1000 linked to your objectives for your role
- 25 days holiday plus bank holidays

- Company Share Option scheme and travel loan after probation is passed
- An amazing team and fun social calendar
- An opportunity for career development
