Hammersmith, UK / Pardubice, Czech Republic

Permanent

Competitive Salary

Who we are

iPLATO are on the search for a Senior Android Developer to become a piece of their puzzle. But this isn't an ordinary puzzle – we're a puzzle with no sides, constantly evolving and adapting to fit in our environment, as soon as we lay one piece, we are working together to fix another. We are a team of fire-fighters, plate-spinners and pull-together-and-find-a-solutioners. We serve millions of patients and healthcare professionals every day and are passionate about healthcare and finding the best technological solutions. We are supportive of our team and live in the cliché of no two days are the same. If you think you've got what it takes to work in a fun, fast paced, reactive and rewarding digital health company then we would love to hear from you.

Your main responsibilities will be:

- Developing system components and testing
- Team leader of mobile development team
- Communication with product team
- Provide direction on Mobile application developments

What we are looking for:

Essential:

- Android SDK & Android Studio
- Kotlin
- Sqlite / room
- Json
- ReactiveX
- Retrofit
- Unit Tests, Espresso, Mockito, Robolectric
- Android jetpack
- Android Play store release & deployment process

- 5 years+ experience of Developing Android Native Apps
- Experience leading a team
- Working on an Application listed on the playstore with 500k + users
- Have experience working with GIT or similar source control
- Excellent oral and written English

Desirable skills:

- UML
- Coding conventions

Above all, we want someone that shares our core principles. These are:

- We are Patient Centred
- We can be Trusted
- We can Deliver Quality
- We are Passionate
- We aim High

What we offer

- 25 days holiday plus bank holidays
- Birthday off
- On-site wellbeing programmes and massages
- Free breakfast
- Company-funded bi-monthly social
- An annual individual training budget of up to £1000
- Life insurance
- In-office pool table and conveniently located Hammersmith office
- Company share option scheme (on passing probation)
- Travel loan (on passing probation)

If you are looking to make a difference and help transform the healthcare industry, please forward your CV and covering letter to careers@iplato.com writing “**Senior Android Developer**” in the subject field . By applying to this role you are confirming you have read and agree to our privacy notice which can be found [here](#). Due to high volumes of applications we are only able to respond to those who have been

successful for interview, if you haven't heard from us within two weeks of your application then please presume you have not been successful this time around.
