

Senior React Developer

Hammersmith, UK

Permanent

Competitive Salary

Who we are

iPLATO are on the search for a Senior React Developer to become a piece of their puzzle. But this isn't an ordinary puzzle – we're a puzzle with no sides, constantly evolving and adapting to fit in our environment, as soon as we lay one piece, we are working together to fix another. We are a team of fire-fighters, plate-spinners and pull-together-and-find-a-solutioners. We serve millions of patients and healthcare professionals every day and are passionate about healthcare and finding the best technological solutions. We are supportive of our team and live in the cliché of no two days are the same. If you think you've got what it takes to work in a fun, fast paced, reactive and rewarding digital health company then we would love to hear from you.

About the role:

As a Senior React Developer, you will be responsible for developing the front-end components of our next generation patient messaging platform.

Your main responsibilities will be to:

- Implement the UI coming from the designers
- Implement web applications for desktops, tablets and smartphones
- Use the best practices to guarantee the best quality and availability of the web applications
- Maintain the company UI components shared between different projects
- Maintain and implementing new features to the current React applications
- Maintain the global state of the application using unit testing and Redux

What we are looking for:

Essential:

- 6 years+ as a Frontend developer
- 4 years+ as a React developer
- Good experience of writing JavaScript tests
- Good experience of using Storybook
- Excellent communication skills
- CSS, SCSS, LESS
- JavaScript/ES6 and Jest (or other testing frameworks)
- Flow and ESLint
- Redux, Thunk, Axios
- Agile/Scrum experience
- Git

Desirable skills:

- Experience in multilanguage applications

Above all, we want someone that shares our core principles. These are:

- We are Patient Centred
- We can be Trusted
- We can Deliver Quality
- We are Passionate
- We aim High

What we offer

- 25 days holiday plus bank holidays
- Birthday off
- On-site wellbeing programmes and massages
- Free breakfast
- Company-funded bi-monthly social
- An annual individual training budget of up to £1000

- Life insurance
- In-office pool table and conveniently located Hammersmith office
- Company share option scheme (on passing probation)
- Travel loan (on passing probation)

No agencies.

If you are looking to make a difference and help transform the healthcare industry, please forward your CV and covering letter to careers@iplato.com writing “**Senior React Developer**” in the subject field .
